Brindishe Lee's Newsletter

Friday 4th November 2022

Dear parents, carers, staff, governors and friends,

After a nice break, it was great to see the children back in school this week. They have been full of positive energy and continue to bring a thirst for learning into the classroom. Thank you to everyone for your patience with the change of gates this week as we upgrade the windows at Brindishe Lee. I will provide you with an update early next week when all gates will be back in operation.

We had our first Pupil Parliament meeting this week and the children were simply amazing, brimming with ideas on how to improve our lovely school! In addition to this, staff enjoyed meeting parents/carers in person for our meet the teacher event. Staff commented on how lovely it was to meet all the parents and carers. They are looking forward to working in partnership with you all to ensure your children thrive. Thank you parents and carers for your ongoing support. It has been a busy but productive week for all!

We hope you all have a great weekend. If you are going to a fireworks display, stay safe and enjoy the event. Year 6 children enjoy family time this weekend and remember to pack your bags ready for the Year 6 residential trip to Kingswood next week!

See you all on Monday!

Kind regards,

Ms Sebire & the Brindishe Lee team.

Help in Lewisham with cost of living crisis.

Earlier this week, Lewisham began offering a **Warm Welcome** in local libraries, where people can come together and use the facilities in a warm, welcoming environment. This has been done in response to the cost of living crisis and rising energy prices - Many local people and businesses are worried about this and the impact it is having on everyday life. Everyone is welcome to pop into these warm spaces, to read, do some homework or chat to a volunteer.

This evening, ITV London were in the borough doing a live show for the 6pm news. Lewisham were able to showcase their warm spaces and highlight the work they are doing with partners across the borough to help ease the pressure on local people this winter. You will be able watch it on catch up on the [ITV Hub](#).

Lewisham Warm Welcomes

About

To support individuals affected by increased living costs this Winter, local establishments are beginning to set up as Warm Welcomes.

What are Warm Welcomes?

Community groups are coming together to offer spaces where people can pop in free of charge. All welcomes are currently different, some may be providing hot drinks, others may be providing hot food, others may be providing social activities and additional support.

Check the Warm Welcomes map [here](#) to find your nearest space and get more information. Please check each listing for an overview of opening times and services provided. Other terms also being used include: Winter Welcomes, Warm Spaces

Lewisham Council's libraries are also open as Warm Welcomes. These are included on the [Warm Welcomes map which can be found here](#) and [on the Council's website to find your nearest library and see their opening times](#).

Who is involved?

Many local community groups have independently set up their own Warm Welcomes and some are working in partnership around local areas.

Lewisham Local is working with partners to map and promote the Warm Spaces and provide additional wrap-around support. Partners include [Lewisham Council](#), [Age UK Lewisham & Southwark](#) and [Citizens Advice Lewisham](#).

Looking for additional support?

You can find contact details for other local support organisations that can help you on our request support page: [Request Support – Lewisham Local](#)

Brindishe Weekly Online Safety Bulletin

Be Internet Awesome

Google have launched their own online safety game, designed to allow children to make smarter and safer decisions.

It can be played on phones, tablets or on a computer, and offers a good starting point for conversations about online safety.

Rights Respecting at Brindishe Schools - Article of the Week

Remembrance & Article 38

Remembrance unites people of all faiths, cultures and backgrounds in honouring those who defend our democratic freedom and way of life.

The UK has a long tradition of marking Armistice Day, calling to mind the moment when fighting ceased at the end of the First World War, at 11.00am on the 11th November 1918.

Article 38

Governments must not allow children under the age of 15 to take part in war or join the armed forces. Governments must do everything they can to protect and care for children affected by war and armed conflicts

Why is it important to remember and commemorate those who have fought in wars?
