What happened in school this week?

This week the children took part in our 'Raise Your Pulse' Fundraising day with a whole host of exercise sessions, which included; a fitness session, karate with Sophie and team games with Grant from Sportacus, a mile of walking/ running, skipping, yoga, mindfulness and assemblies on healthy minds and healthy bodies. The children really enjoyed taking part and being active throughout the day. Well done to all of the children and adults who took part throughout the day!

If you have not already donated to our fundraising event and would like to, then please go to the following link.

Other events...

On Tuesday, Year 6 went to the Unicorn Theatre in London Bridge to watch 'Odyssey'. The children absolutely loved this live performance and theatre experience and are still talking about it. Thank you to the parents and carers who supported the children by giving up their time to come with us.

Year 6 have also had a Transport for London workshop, learning about how to be safe on public transport. The children listened really well to the advice they were given and had some great questions for the presenter.

Today Year 5 and 6 took part in a drama workshop called 'Game Over' helping them explore how to avoid the world of addictive gaming.

Tri-School SEN Parent Forum

ALL WELCOME

The Inclusion Leads at Brindishe Green, Brindishe Lee and Brindishe Manor – Jessica Dee, Verity Ferrant, and Gemma Caller – would like to invite you to a Brindishe Federation Parent Forum on Thursday 18th April at 10am. The purpose of the forum will be to share information about the systems in place to support children with Special Educational Needs and their families, in Lewisham and nationally.

The Brindishe Schools Governor for SEN, Adrian Prandle, will be joining us, along with a representative from Lewisham SENDIASS (Special Educational Needs and Disabilities Information Advice and Support Service).

SENDIASS is an impartial service, offering free advice to parents and carers. They will speak about the SEN system and the support they can provide for children and families.

The Forum will take place at Brindishe Manor. Please email info-BM@brindisheschools.org if you would like to attend, so that we can plan an appropriate space.

Easter 2024 holiday activities and fun

Lewisham's programme of free activities for the Easter holidays is now open for booking. As before, they've teamed up with a range of local organisations to offer something for everyone – from sports and drama, to arts, crafts, and trips to exciting venues - see attached flyer from Lewisham.

You need to book your activity in advance. Places are allocated on first-come, first-served basis and are prioritised for children eligible for benefit related Free School Meals. Lewisham will also have a number of places available on a first come, first served basis for children who are experiencing hardship, but who do not receive Free School Meals.

How to book

Families who receive benefit related free school meals will receive a HAF Code via email or text message. This code will enable you to access a webpage with details of all activities and book your child's space. Please ensure you follow the link and instructions in the message. Please note each code is unique to each family. Families with more than one child will receive a code for each child.

If you haven't received a HAF code and your child receives benefit related free school meals, or if you require any support with bookings, contact HAFProgramme@lewisham.gov.uk.

Lewisham also have a number of places available on a first come, first serve basis for parents and carers who are experiencing hardship, but whose children do not receive Free School Meals. Email the team on the email address above if you'd like to apply for one of these places.

Brindishe Parent/Carer Governor

We are delighted to inform you that Helen Fine has been elected your new parent/carer governor for Brindishe Schools. Helen has already attended her first full governing body meeting and plans to visit all three Brindishe Schools after Easter.

Thank you to all of the parents/carers who took time to vote in the recent elections.

I have three children - two of whom are at Brindishe Manor and one who is now at high school. I was pleased to be elected as a parent governor in February 2024 and look forward to working with all of the governors and broader school community to ensure all Brindishe children are provided the best possible education.

Right Respecting Article Of The Week

Article 31 (leisure, play and culture)

Every child has the right to relax, play and take part in a wide range of cultural activities.

In what different ways have you enjoyed Article 31 with your children in 2024 so far?

- Arts and craft activities.
- Chilling out.
- Spending time with friends.
- Going to a museum or gallery.
- Going to the theatre, to concerts or to the cinema.
- Taking part in sport.
- Having a safe space to, relax, read, draw or listen to music.
- Playing at the park.
- Playing computer games.
- Doing yoga, meditation or mindfulness activities.
- Sleeping!

What will you be doing with your children this Easter holiday?

Could you make an 'Article 31 chill-out den' in your home or garden where you can relax. Use cushions, blankets and even fairy lights.

Can you draw a sausage dog? How about a panda or a turtle? Take part in an [online art lesson](#) – which will you choose?

Some people like to relax by dancing. Different cultures have different traditional dances. Do you know any? Why not try to learn a traditional dance with your child using the programmes from [BBC School Radio](#)?

Lots of museums and galleries now have virtual tours so you can visit museums all over the world from your classroom or living room! [Choose a museum and go on a virtual tour](#). Find out if your local museums or galleries have virtual tours.

All children have the right to play but many children with disabilities find that their local playgrounds aren't accessible. Watch this [video from Newsround](#) to learn more about this issue. Are your local playgrounds accessible for all children? If not, how can you help?

Relaxation is important and is a key part of Article 31, but sometimes we can find it tricky to relax, especially during stressful times. [Young Scot](#) has some helpful videos demonstrating techniques to support your mental health and wellbeing – why not give them a try?

Does your child need a mobile phone?
