## What has been happening this week?

Teachers were delighted to be able to update you on your child's progress this week. Hopefully you found the meeting helpful and have gone away with lots of ideas for how to support your child's learning. Thank you to the teachers for holding these valuable meetings that go on late into the evening, and coming in fresh the next morning to teach the children. You are all amazing!

Year 3 and Year 1 had a great time in their History Man workshops. These workshops really bring history to life as the children get to investigate artefacts and explore themes through story and drama. This immersion in learning really makes it memorable!

Eco- Council held an assembly on Monday as we were 'dreaming of a green Christmas!' They had lots of great advice that hopefully your child has shared with you at home. The Eco- Council then spent lunchtimes making recycled Christmas decorations for our tree.

Year 6 thoroughly enjoyed escaping to the world of Norse legend at the Unicorn Theatre production of Odd and the Frost Giants. Another memorable experience to inspire their learning.

Year 3 loved their maths games session to support their learning of the times tables!

**Pantomime Payments:** Please make sure you've made any outstanding Pantomime payments or other trips/ workshops your child has attended.

We hope you enjoy the fair today!

For those that ordered Christmas trees please ensure that you collect them on Saturday morning, and feel free to share a photo of your decorated tree with us!

We will also be running a Winter Trail over the holidays. For those new to the trail it's a small walk around the area, following a map.
